## Police Beat

School is back in session and children will be walking to school during the morning and afternoon. Please slow down and help keep them safe. Remember, school zones are 20 mph zones and are in effect anytime that children are likely to be going to or leaving the schools. Some schools are marked with signs and flashing lights. These lights are not required by law and are there as a courtesy and a reminder to drivers to slow down. We would also like to remind parents that a safety review is an important preparation for children who are heading back to school. As your young children prepare for school, don't send them out the door without reviewing the following safety tips:

### SAFETY TIPS FOR PEDESTRIANS:

- Follow the rules of the road & obey all traffic signals & signs.
- Plan the safest route to school.
- Walk with a parent, friend, neighbor, brother, or sister.
- Always look both ways before crossing the street.
- Cross at intersections & at crosswalks.
- Walk against traffic if the street is without sidewalks.

• Don't talk to or accept rides from strangers.

### SAFETY TIPS FOR BICYCLISTS:

- Follow the rules of the road & obey all traffic laws. Remember: the rules of the road for cyclists are the same as for motorists.
- Think ahead. Ride defensively. Anticipate drivers' actions. Establish eye contact.
- Be visible. Ride clear of the curb. Wear bright clothing.
- Ride in a straight line. Be consistent in your riding. Always look and signal prior to turning. Stay at least a car door length away from parked cars.
- Use bike paths when available.
- Always ride with the flow of traffic. Motorists aren't looking for bicyclists on the opposite side of the road.
- Yield the right-of-way to pedestrians.
- Keep at least one hand on the handlebars at all times.
- Do not ride with headphones, as you cannot hear traffic, trains, or other warning signs.
- Be smart. Always wear a proper fitting helmet in good condition.

A safety review for us the Drivers - Follow the rules of the road:

- Slow down in and around school zones, cross walks, and high traffic areas near schools.
- Be on the lookout for children traveling to and from school.
- Exercise caution around buses transporting children to school.
- Expect the unexpected. Children on bicycles and on foot are often unpredictable in their actions.

Also, if you see anyone that looks suspicious around the schools or in areas where children walk to and from school, do not hesitate to report it. (Dispatch #740-474-2176).

Please help us keep our children safe.

Thank You

## Police Beat 07-2014

The law indicates that no person shall open the door of a vehicle on the side available to moving traffic unless, and until it is reasonably safe to do so, and can be done without interfering with the movement of other traffic. Nor shall any person leave a door open on the side of a vehicle available to moving traffic for a period of time longer than necessary to load or unload passengers. Therefore it is wise to use caution when parked on the street and opening your driver's side car doors to avoid accidents resulting in property damage or personal injury. ## Police Beat 05-2014

As the weather gets warmer and school draws to a close, parents please be aware of where your children are at night. The Village of Ashville does have a curfew for minors. This curfew exists not only to mitigate offenses such as vandalism and theft, but also to protect our children from those who might seek to exploit them. Please help us to keep the children of our community safe.

No minor under the age of eighteen years shall be outside their residence and/or property between the hours of 12:00 a.m. and 5:00 a.m. the following day unless accompanied by their parent, guardian or other adult person having the care and custody of the minor, or when the minor is on an emergency errand or legitimate business directed by his parent, guardian or other adult person having the care and custody of the minor. (Codified Village Ordinance Number 537.19)

## Police Beat 04-2014

April showers bring May flowers, but they also bring decreased visibility and hazardous road conditions. Headlights on motor vehicles are required anytime there is insufficient light or unfavorable atmospheric conditions that would render other vehicles, pedestrians, or substantial objects in the roadway undiscernible at a distance of 1000 feet. Headlights are also required anytime windshield wipers are needed due precipitation on the windshield. Don't assume other drivers can see you just because you can see them, and turn your headlights on in the rain or other unfavorable weather, even during daytime hours. Drive safe. (ORC 4513.03A2-3)

## Police Beat 06-2014

### Fishing in Retention Ponds

There are several retention ponds in the northern part of the village that attract people who like to fish. Please pay close attention to the warnings posted at these ponds. The ponds at Ashton Village Phase II (north of Monroe Dr.) are posted No Fishing, No Swimming, and No Boating. This includes both residents and non-residents of that subdivision. The pond in Ashton Woods (along Morrison Dr.) is posted No Trespassing, and that fishing is for residents of the Ashton Woods subdivision and their guests only. Fishing in the Ashton Woods pond is catch and release only, and residents should obtain written permission from the home owners association prior to fishing there. These regulations exist in order to prevent unwanted foot traffic in the yards of nearby homes, and to prevent litter and damage to the ponds themselves.

Thank you - *Chief Clark*
